ValleyMLS.com Launches Newly Designed Website

Huntsville, AL – On Thursday, May 10, 2018, ValleyMLS.com launched their newly redesigned and upgraded website. This new website offers a fully responsive design across a full range of devices. The new ValleyMLS.com has been designed to provide the ultimate consumer-friendly experience with improved search features and functionality throughout, allowing consumers to search for a home with the greatest of ease.

Created with the consumer experience fully in mind, the new website has a clean uncluttered design, improved functionality and enhanced features focused on helping the consumer find their next home. Some of the new features include:

- Responsive design for a great experience across all of your devices
(All of the agent's websites have also been converted to responsive design)
- Premium financial tools including a new mortgage calculator
- Redesigned homepage
- Larger photos
- Scroll through photos without clicking

In addition to the new features, ValleyMLS.com still has the same great features it had before including:

- Consumers can request scheduling a showing of the property with the Listing agent
- Drive time calculations
- Compare properties
- School ratings
- Walk Score
- Local community information
- Up to date listing information

The new website went live on May 10, 2018 and is located at the same address: www.ValleyMLS.com. ValleyMLS.com is still the most comprehensive and accurate home search site in the Tennessee Valley.
